Rob McCartney, KETV

A television journalist for 30 years, Rob McCartney (no relation to Joe) has been KETV's main evening news anchor since 1995. He began his career as a UNL student going on-air at KRNU and KXSS radio stations. He then became assistant sports director and farm director for NTV in Kearney. KOLN/KGIN in Lincoln called next to recruit him as a newscast producer, reporter and anchor. In 1992, KETV enlisted him as the station's capital bureau chief, later adding weekend anchoring duties. Last month, the UNL College of Journalism and Mass Communications presented the veteran newscaster an Alumni Award of Excellence for his significant contributions to broadcasting.
